

40 National Federations now support the “One World. One Vision.” Team!

June 18, 2010

FOR IMMEDIATE RELEASE

As our supporters continue to come forward, we unite for world chess with, “***One World. One Vision.***”

We are very grateful to *all of the **National Federations***, who have openly declared their support for our campaign! Together we can achieve a better future for world chess.

In the past, this spirit of unity has resulted in not only a mobilized and productive chess community with full involvement of ***Federations, players, organizers, arbiters, and trainers*** but also a *unified world title* and an undisputed ***World Champion***.

All that **FIDE** stands for, all that **FIDE** has achieved is now brutally attacked by our opponents who are trying to distort the true image of **FIDE** in a desperate attempt to secure some votes.

“I invite all national federations to join me and my team, not only in order to win the next elections but also to cure and restore, immediately afterwards, what Anatoly Karpov today is damaging with his campaign.” - **FIDE President: Kirsan Ilyumzhinov**

A wave of more federations supporting **Kirsan** is expected in the next few weeks and *all electoral developments* will be published on the *official website* of Kirsan’s campaign: www.onefide.com.
